The Annual Charity Event is in August each year at our CAT Harbor Facility. It's open to all Yacht & Fishing Clubs on our coast by invitation/application. This is a give back tournament to the Two Harbors area at Catalina for all the good times we have had and will continue to have there. We have awarded this year to the Little Red School House a donation of an Apple Computer. We will continue reviewing additional potential recipients for monies to be contributed. Thanks to all of you for your participation in making this such a successful event. We look forward to seeing you next year to share in the laughs, fun, food, stories and competitive spirit with all our friends.

*Tight lines to all.....Vic Jedlicka, DRYC Angler Chair*
